

Eduardo & Cindi Angelo

FMWM Portugal

Since 1999 making Jesus known in Portugal and beyond.

We wonder how things are in your church after the pandemic as here in Portugal we have seen so many people weak in faith, losing their identity as a flock, their sense of commitment, their desire to gather and their missionary zeal. While we have spent much more time in prayer and fasting for our people, we are reminded of Jesus' words to the Church of Laodicea, which is a reflection of the church of this generation: ***"I know your deeds, that you are neither cold nor hot. I wish you were either one or the other!"*** (Rev 3:15). Many believers are on the proverbial fence being neither cold nor hot, and being only lukewarm, they are in great danger. Would you pray _____ with _____ us?

It's true that every revival has been preceded by a time of great spiritual coldness. Great challenges came before the great harvest. Before the great rain came on Israel, there was a drought of more than 3 years. That's why we continue believing that we are in the generation of the rapture, that we will see Jesus coming with power and great glory to seek his Bride for the marriage of the Lamb. Our job is to be working winning souls and praying: Maranatha!

HAPPENED

Our trip to **São Tomé and Príncipe** at the beginning of April gave Cindi the privilege of celebrating her 50th birthday in the midst of almost 100 dear people, who normally would not be able to participate in such a beautiful party prepared with such affection by the team there.

While there, we also had the joy of serving in the **formation of nearly 100 pastors and leaders** besides sharing in meetings with **church workers**, the **women's group**, their **youth group** and a special time with the **children**. Since the Souza family was in our church here in Portugal for many years, it was wonderful to spend time with them!

In April we attended the LittWorld2022 Conference in Hungary where we met Christian writers and publishers from 50 nations. Thank you, Dan Runyon and conference directors, for this 50th birthday present. With the contacts made at this conference, it is likely that our books will be distributed in Brazil. Cindi's book, *He Made Himself Like Men*, was released in Hungary at this conference.

Now, we have just spent a precious time with our missionary colleagues, our bishop and his wife, and Gerald and Jan Coates at the **European missionary retreat**. It was held in Bristol, England, the city where John Wesley began to preach and where his brother Charles Wesley lived. Then we moved on to the **UK/ Ireland Annual Conference** where we heard about the great work that God is doing among our British brethren.

ENTER YOUR 2022 COMMITMENT

- Pray for our **leaders to be strengthened, encouraged and zealous for the work.**
- Pray for contacts who will take the **books to be distributed in Brazil** and for this to bless our ministry financially.
- Pray for our **partners who are also struggling.** We have lost support from 10 churches since January. Some of them closed their doors during the pandemic.
- Pray for **our time in the US** to be productive.
- Pray for **the ministries that FMC Portugal supports** in Guinea Bissau and São Tomé & Príncipe in Africa.

NEXT TRAVEL

› we visit a few conferences in the **United States** to meet our group of partners. We joyfully anticipated the inauguration of the **FMC in Boston** in extension of the church in a city led by our dear disciples Elison and Marilia Estevan, who have ministered in the US for 8 years.
