FREE METHODIST WORLD MISSIONS

**P O R T U G A L**

*Dear friends! Greetings from Portugal  
and Happy 2022!*

***"Then God opened her eyes and she saw a well of water."  
Genesis 21:19***

We start the New Year here in Portugal with the certainty that, although the world will continue to face a growing struggle and much darkness, we who know our God will live in Newness of Life! This was the word we received from God in December. 2022 will be a year of new projects, new people coming to Jesus, new groups started and new leaders being sent into the great harvest!

The new year has already presented many challenges as 30% of our members became infected with COVID and other illnesses. This discouraged so many in the church, and honestly, trying to warm up people who look dead is next to impossible. But we believed in God's power over His people, and He did not fail us. He opened the eyes of our understanding like He did with Hagar in Genesis 21:19. We needed to believe that everything we needed, God had already provided. He is faithful!

You are truly a part of God's miracle on this missionary journey. Because you stand with us as a financial partner and an intercessor, we have been able to continue developing God's mission with diligence in Portugal as well as in Africa to Guinea Bissau and São Tomé and Príncipe.

**21st ANNIVERSARY**

Last December, the **Free Methodist Church in Portugal** celebrated it's 21st Anniversary. We're so excited because God is doing great things among us.

# CHRISTMAS PROGRAM

We had such a great Christmas Service in our churches. It was an amazing opportunity to share about Jesus and the Plan of Salvation!

***"For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace"***

Isaiah 9:6

## RELEASE IN ENGLISH

Cindi is very excited as she  
will release her book  
***He Made Himself Like  
Men***  
at LittWorld 2022  
Conference  
in Hungary in April.

Our dear friend **Lois Huff** translated this book and wrote about it:

*"A dozen years or so ago, I read a newsletter from the Angelos and thought, "Lord, I would like to edit what they write since English is not their first language." The Lord answered that wish by allowing me to meet this couple and offering my services. Since then I've edited multiple newsletters, emails and 4 books as this couple has sought to build up the church and serve the Lord in Portugal and beyond; however nothing I've done for them has inspired and blessed me like this book. It motivated me to memorize Isaiah 53, and I look forward to reading it again in book form without the need to clarify or proof while savoring the majesty and humility of the Lord Jesus."*

Our churches in Portugal (**Corroios** and **Lisbon**) and in **Guinea Bissau** and in **Sao Tome & Principe (Africa)** started 2022 with high expectations for what God will do this year. Cell group leaders are very motivated to multiply their small groups by reaching new lives. We have been praying and planning to start a new project for a new church in Portugal. Can we count on your prayers for this?

Pray for Pastor Rito Mandé in Guinea Bissau as he is leading the church planting ministry and the project of the school in Ingoré. Our Portugal church oversees both of these African missions.

## Please help us in PRAYER for:

- \* For the **new converts** so that they may be more hungry and thirsty to know God.
- \* For our **pastors and leaders** for encouragement to continue serving in the ministry.
- \* For our **churches in Portugal, Guinea Bissau and São Tomé and Príncipe** so that they may experience the glory of God.
- \* For our **financial support**. So far we are still far below the average of our 2022 budget.
- \* So that we **find new partners** to help us with our **health insurance** as our old partner will not be able to help us in 2022.
- \* For the **elections in Portugal** that will take place at the end of January.

\* By the students at the FMC Seminary in Portugal and also at our extension in São Tomé and Príncipe.

\* For a group of 5 pastors from the FMC in Portugal that are getting ready to go with us in April to São Tomé / Africa, to serve our churches and leaders there.

*"How can we impact society for Christ?  
Reaching one person at a time"*

This is the story of Inês, a portuguese girl who came to Jesus through her friend Jordanna and today she is one of the most involved young in the church.
