EUROPE

Bulgaria: Pray for the Bulgarians and Americans serving in the FMC in Bulgaria. Pray for governmental favor and for the projects God is calling the team to pursue:

- church plants - including five in Macedonia and 10 in Bulgaria
- the girls' home - creating a safe home to prevent trafficking of young girls
- Bible training centers - translation and facilities for weekly Bible school classes

Greece: Pray for the Thessaloniki FMC as the team ministers to refugees. Three days a week refugees can come to the church's drop-in center for a warm shower, a meal, English classes, clothing, kids' activities and to wash their clothes.

LATIN AMERICA

Colombia: The summit for Latin America missionaries is taking place this week in Medellin. Pray the missionaries return spiritually, emotionally, and physically refreshed from this gathering.

Mexico: Members of The Light and Life church plant in Nogales arrived for their first service in 2017 to find that vandals had broken two of the large store-front windows. Pray for protection for the meeting place, and pray God will use this new church to reach into the community so that lives will be transformed by Jesus Christ.

INTERNATIONAL CHILD CARE MINISTRIES (ICCM)

SEED LIVELIHOOD

This is an exciting week for SEED: annual inventory! Volunteers from several churches are in Indianapolis this week helping count, tag, and label products, plus doing several other extremely helpful projects to get SEED ready for the new year of events. Volunteers are also getting to hear stories of the livelihood groups we work with ... and have a lot of fun! Pray that the volunteers' lives will be changed by their experience and that the work will go quickly, smoothly, and accurately!
