AFRICA

Rwanda: Remember Dr. David and Carol Crandall, Manns Choice, PA, in prayer as they leave this week for their year-long assignment at Rwanda's Kibogora Hospital. David will primarily be involved in mentoring, overseeing management, and consultations, as needed. Carol will serve in a hospitality role at Kibogora. David served in Africa previously with FMWM for seven years between 1974 to 1986.

ASIA

Pray for urgently needed resources for five Southeast Asia mission districts; each country has pastors and leaders working in often impoverished conditions. FMWM provides a small monthly support amount for some of the church planters. Interested in partnering with a country, pastor or leader? You can sponsor a pastor, a church, or several churches ... or an entire country and make a significant investment that could pay off into eternity and bring encouragement to you today. Pray mutually beneficial partnerships will emerge that will bless the church both at home and abroad. Contact info4fmasia@gmail.com for details.

Pray for Asia Area Director Rev. Eric Spangler and his wife, Virginia, as they settle in Asia for the next three months, working out of a new "trial" base in Chiang Mai, Thailand. Pray for opportunities to share the gospel, for logistics in setting up the new office, and for the Spanglers as they spend their first holiday season away from their children.

EUROPE

Portugal: Pray for the missionary team, Eduardo and Cindi Angelo and Cida Matos, as they disciple, plan and reach new people. Also pray the Angelos will find their participation this month in a conference in South Korea to be a time of refreshment and learning.

Europe Leaders Meetings: Pray for God's direction and insight as Europe leaders gather for meetings this month. Leaders include Northern Europe Area Director Mitch and Lynn Sue Pierce and Bishop David and Yvonne Roller, traveling from the U.S.

MIDDLE EAST/NORTH AFRICA

IMPACT MIDDLE EAST

FM pastors in the Middle East are thankful for God's help. "Before anything else, we are grateful for our Lord and His work among us," writes one pastor. Another reports after an evening evangelistic meeting, "We felt the presence of God as so many people accepted Jesus as Savior and many received healing from cancer, hearing and speech problems." Pray for continued outreach, growth in home churches and ministries to refugees.

MISSIONS FAMILY

Health: Pray for 17-month-old Libby Sauder, daughter of Matt and Christine (appointed to the Philippines), who injured her wrist last week. Further X-rays will be taken later this week to confirm there are no fractures. Pray for Libby to be calm during the X-rays and for complete healing.

INTERNATIONAL CHILD CARE MINISTRIES

Cambodia: Pray for the 15 families of ICCM sponsored children in Lu village, Cambodia, near the House of Love, who are impacted by flooding. While the families are staying with neighbors, the water is threatening to engulf the neighbors' homes, as well. House of Joy and House of Peace are spared for the moment, but the rain is still falling, so ICCM leaders and the children are anxious. Pray for the Lord's protection and that the rains will stop. House managers are delivering emergency food supplies to help the families. If you can help, please designate a gift to [Cambodia Flood Relief](#).

INTERNATIONAL CHILD CARE MINISTRIES

SEED LIVELIHOOD

ICCM/SEED Giving Guide: Praise the Lord for the partnership of ICCM, SEED Livelihood Network, and Light + Light Magazine which worked to provide a special magazine for November with the theme "Giving is Worship." The magazine includes the ICCM/SEED Giving Guide. Pray readers will be blessed and encouraged.

VISA MINISTRIES

Pray for those ministering on VISA assignments this week:

- A team from Crossroads Community Church, Ottawa Lake, MI, is currently serving in Jordan through Thurs., Nov. 17. Rob Malak is the team leader.

Urgent team need: A team is needed for the end of 2016 or early 2017 to assist with a construction project in Monte Santo, Brazil. A team of around 10 would be ideal for a project lasting 7 to 14 days. Teams will work alongside Brazilian experts to help continue the building project at an International Child Care Ministries school. If interested contact Jonathan Eccles at jonathan.eccles@fmcusa.org, or call 317-616-4777.

FYI - RESOURCES

Children's curriculum - *Missions Alive! Central, East and Southern Africa*: The 2016-2017 *Missions Alive!* study focuses on Free Methodist ministries in 16 countries. This reproducible leader's guide - full of fun facts, mission stories, missionary information, games, recipes, crafts and other activities - can be used for children's missions month, Christian Life Club (CLC), mid-week programs, children's church, vacation Bible school or adapted for other children's gatherings. PowerPoint slides have been designed to add visual interest to six sections. Another feature helps students learn about problems children around the world face. As a part of the study, students are encouraged to take action to address a need in the community or around the globe. [Click here](#) to download (free) or order (\$15) *Missions Alive!*
