

March 2016 Prayer Letter

Dear Prayer Partners in Our Ministry,

Greetings in the name of our risen Savior and Lord. Thank you for your partnership in our ministry. It is a great joy to share with you what the Lord is doing through us because of your support. Thank you for your generous prayer and financial gifts!

We are excited to share with you the great news about Julia. We told you about her brain surgery in the first week of February. The surgery was successful. There were a few minor problems after the surgery, but she has come through that and will be able to come home this Saturday. Pray that Julia will see the Lord really has His hand on her. We hope she will come to church with her mother.

We enjoyed a great time of rest and relaxation over the Chinese New Year holiday. We had a special time with Lily's family. We shared at the church what we are thankful for and our hope in the new year. It was good to catch up with what is going on in the family. The one thing I will remember is all the walking we did that day. Keep praying for our families as we try to be salt and light to them.

Thank you for praying for our Mission Sunday. We were glad to have Susan Yu and her co-worker with us to share about God's work in the Indonesia community. It helps us to see that our mission field is larger than we think. We have many Indonesia care givers in our community, most of them are Muslim. On the Chinese New Year's Eve, we usually invite anyone who does not have a place to go for dinner. This year, we invited an elderly woman and her Indonesia care worker. Tini is a wonderful care giver. Pray for her, she is a Muslim, but she stay in the church on Sunday morning and Wednesday night prayer meeting. Pray that God's word will impact her heart.

As we move into March, our campus ministry starts up again. The story time at our local elementary begins Monday March seventh. The Victory in Life ministry at the military prep school has already started headed up by Joel. The other Victory in Life begins in April at another junior high school. Also, we are starting a new ministry this month in our community. There is an organization that targets low income families. The children in these families can come to a community center on Saturday afternoons

for activities. Tim and Lily will be the story tellers for this new ministry. Joycelyn and Lois will help with different groups as well. We are thankful for an open door for ministry to young people. Pray for our workers to build good relationship with all the students. And May God draw them to want to know the Savior.

Pray for our Easter celebration this month. We will have a Good Friday service. We like to use Easter as a time for baptism. As of now, we are not sure who will be baptized. There may be some thinking about it. Pray for the Holy Spirit work in their hearts. Also, keep praying for Lily as she teaches the Wednesday night course called, Knowing the Holy Spirit. We can see that the people are eager to learn about the Holy Spirit. Pray for our church to experience the work of the Holy Spirit and not just knowledge.

Our dates are set for partnership building in the US. We arrive in the states AUG. 4th and return to Taiwan OCT 25th. We have the last three Sunday's in September and the first three Sunday's in October still available. Let us know which of these Sunday's will be a good Sunday to share in your church. We were thankful to get good prices on tickets this time, much cheaper than last time. Pray for us as we prep for this time in the US. Also, pray for a place to live while we are in the states. We will be in the North Canton Ohio area from AUG.15 to OCT.22.

In our prayer time this morning, we prayed for the Sharon Ave. ministry. We are thankful for their special ministry. Please let us know how we can pray for you.

Joyfully Serving in Taiwan,
Tim and Lily
