

## May prayer letter

Dear Prayer Partners in Our Ministry,

Greetings in the name of Jesus. We are thankful for your partnership with us in our ministry. Your prayerful and financial support gives us the joy of sharing the good news with the Taiwanese people and to the ends of the earth.

A woman named Sandy who is a cross cultural servant in a creative access country, is getting some support from our church. Twenty-two people in our church have committed to her support. Each month we are financially supporting Sandy \$460. The area Sandy works in is a hard area and has much spiritual warfare. Sandy is the first missionary we are supporting from our church. Pray for Sandy and a team going with her in June for three months.

Thank you for continuing to pray for our campus ministry. We are thankful for Joycelyn and a new woman named Jessica working in the Victory in Life ministry in a junior high school. This ministry will end sometime in May. The response from the students is very positive this semester. Joel is also teaching a victory in life class in the military prep school. The Saturday afternoon community class ended last weekend. That program will start up in July. Last Saturday Joycelyn boldly share the gospel with a group of kids. Our hope is we can get several kids and junior high-schoolers to attend our Free Methodist summer camps. I know we shared about this last month, but we want to keep as a matter of concentrated prayer. Continue to pray for the Monday morning story telling in our local elementary school. We have a great opportunity to reach many children with the gospel.

Thank you for praying for our English Fellowship. We have two new men coming, Max and Justin. Max is a new believer and started to come to our church even though he lives about 50 minutes away by motorcycle. Justin is an English teacher who is not a believer yet. We are doing Bible stories from the Old Testament. Pray for us as we try to reach out to more men in our community. For example, Josephine invited her neighbor Mr. Lo. Mr. Lo comes from a very complicated family. We introduced him to Mr. Gwo who has a similar background. Thank you for praying for Mr. Gwo who tries to invite his wife and children to church, sometimes they come. Mr. Gwo is earnestly praying for his whole family to come to the Lord.

Two women baptized in March are going through the follow up program. Pray for Lily who is doing the follow up over the phone in Taiwanese on Thursday evenings with Miss Liu-Jen. She put the Cross that we gave her on the shelf where the idols used to be. Another one is Miss. Chen, she started the follow up on Sunday morning before church, however, because of her health, she cannot sit for long period of time. We need to find a way to help her. Pray for these two women to continue to grow in their faith.

Earlier this month, we were told our motor scooter was ten times over the Taiwan EPA limit. Because of this and the age of our scooter, we have decided to buy a new scooter. We really need this for our ministry. We will probably have it by next week. Lily has passed the driving test. Pray for safety while riding on the new scooter.

Thank you for praying for partnership building time in the US. Our dates are AUG.4-OCT.25. There are only four Sunday mornings open. The last two Sundays in September and the first two weeks in October.

Please let us know when we can share in your church. Pray for a place to live after AUG.15. We do need a place with a good internet connection because Lily will need to stay in contact with the church. Praise the Lord that Joycelyn and Josephine will handle the lead for the ministry while we are in the US.

In our prayer time this morning, we prayed for the ministry at Ontario FMC and Pastor Tony and the many friends we have in this church. We want to pray for you, just drop us a line and tell us how we can pray for you.

Joyfully Serving in Taiwan,  
Tim and Lily
