

December 2016 Prayer Letter

Dear Prayer Partners in Our Ministry;

Greetings in the name of Jesus Christ the Prince of Peace. We thank you for your part in our ministry. Your faithful support in our ministry allows us to share the great news of Jesus's love to the Taiwanese people.

Thank you for praying for our outdoor worship. We had safe travels and wonderful weather. More importantly, we had a great time of fellowship with one of our mountain churches. In the afternoon, we visited a fish market and then an old train station. There was a great time of fellowship on the buses.

We praise the Lord for three new believers. Miss Jyau and Mr. Chang are battling cancer. We hope they can be baptized on Christmas Day. Another man named Mr. Chang came to our church for the first time last Sunday. We need to do some time discipleship training with him. Continue to pray for Amy who said she wants to wait for Easter to baptize.

You can pray for our leadership board Annual Meeting on Saturday Dec.10. The two purposes for this meeting is to evaluate the ministry over the last year. The second purpose is to prepare for ministry for the next year. Pray for us as we make important decisions.

Also, prayed for our Christmas outreach. On Friday Dec.23, we will visit the military prep school. We will share and encourage the students. Each student will get a bag of snacks with some information and the Christmas story. There are around 350 students. This is a good way to build a relationship with the school. The school is very close to our church and is easy walking distance. On December 24 we will do a community outreach in the afternoon from 2-5PM at our local library. We will be able to use the indoor and outdoor facilities. We will have story time in the children's area. Other activities are balloons and board games. Board games are popular right now in Taiwan. We hope to build a good relationship with library. We are still working on the plans for this outreach, so keep praying for us as we get closer to these two important days of ministry.

An update on our finances. Praise the Lord, we will most likely end the year meeting our missionary support. However, one area we need to improve on is ministry commitments. Commitments are important because we don't want to guess and hope the support comes in. Below are ways you can make a commitment to our ministry for 2017.

Thank you for praying for us. Today in our prayer time, we prayed for our conference superintendents Brent and Elma Thompson and the leadership team that works with them. If you have a need you would like us to pray about, please drop us a line and we will pray for this concern.

Joyfully Serving in Taiwan,
Tim and Lily
