Honduras 2016 Ministry Need: \$17,640

Funding the **Honduras Country Support Account (CSA)** will help resource the following people and strategic initiatives:

- U.S. Ohio Conference co-superintendents Brent and Alma Thompson as they oversee a leadership team to strengthen ministry initiatives through creative partnerships, theological and pastoral training, and multiplying groups and churches
- Five churches led by two conference ministerial candidates and a group of emerging lay leaders who have a vision to plant more churches
- Growth and multiplication of the churches through mutual cooperation and shared vision to reach Honduras for Christ
- The training and preparation of a Honduran mission district leader

The Free Methodist Church in Honduras

Origins

Free Methodist churches in Honduras are led by two conference ministerial candidates and a group of emerging lay leaders with a vision to plant more churches. The existing churches were started from three different Free Methodist connections in the U.S.: Salem, MA; Miami, FL; Rochester and Fredonia, NY. Brent and Alma Thompson, pastors of Harvest Chapel FMC, Fredonia, NY (Genesis Conference), supervise the work in Honduras.
