

KENYA

Mount Kenya is the

second highest mountain in Africa. Kenya means "mountain of brightness" in the Kikuyu language.

Did you know?

Kenya can count on 12 hours of sunshine each day and 12 hours of darkness at night, because the country sits on the equator.

The Rift Valley is a "crack" or basin of extinct volcanoes and several lakes. It's 4,000 miles long and runs from the Middle East through Eastern Africa, including Kenya.

The number of necklaces a woman wears may tell if she's married and if she has children.

The population of Nairobi, Kenya's capital city, is 3.36 million people!
