

MOZAMBIQUE

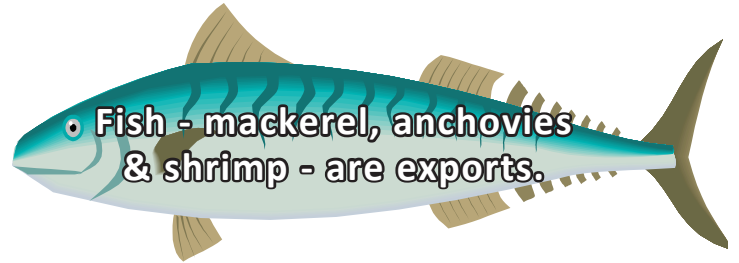

Mozambique is shaped like a lopsided "y."

Capital city: Maputo
Main languages: Portuguese, original languages
Religions: traditional religions, Christian, Islam

Did you know?

Fish - mackerel, anchovies & shrimp - are exports.

Because there was no written language, long-ago village elders passed along knowledge and wisdom by telling stories.

People make everyday things pretty by working with available materials such as wood, cane and shells.

Half of Mozambique is forest and woodland, unusual in Africa because many areas have been stripped for fuel.

Cashew nuts are grown in Mozambique.

TO DO:

Cross out every other letter starting with Y to find out who you can help God reach with His love.

TYHGEJWKHEORLLE
TWFOARHLBD

Pray God will call missionaries to help with the medical work at Nhaoli Hospital.

Mozambique

Free Methodist ministry in Mozambique includes a hospital, clinic, primary school and seminaries.

Answer (hold up to a mirror): The whole world.
