 Main religions: Muslim, Christian,  
 indigenous beliefs

**Did you know?**

**“nee-jair”**  
 French is spoken in Niger and the name of the country is pronounced “nee-jair.”

Niger’s most valuable natural resource is its uranium mines.

The River Niger is one of Africa’s chief rivers. It is important for water supply and transportation. It’s 2,597 miles long.

The West African manatee, which faces extinction, lives in the Nile River. These mammals can grow up to 15 feet long and weigh nearly 800 pounds.

There are many dinosaur remains in an area of Niger’s Sahara Desert. One dinosaur had a long neck and up to 600 teeth!

**TO DO:**

Use the code at left to find instructions from Ephesians 5:1.
