

Nine Strategies for the FMC-USA Suggested Action Steps

STRATEGY 4: Develop Leaders

Pray

Throughout the worldwide Free Methodist Church, various leadership development methods are used, such as: theological institutes, Bible schools, modular Bible schools, seminaries, Theological Education by Extension (TEE), Internet and video technology, pastors' retreats, seminars, conferences, and training materials. Pray these methods are effective, and pray for the development of new means of multiplying well-trained, godly, effective leaders.

Grow

Read *Just Courage: God's Great Expedition for the Restless Christian*, by Gary A. Haugen to explore ways to grow and act on your faith.

Give

Invest in the worldwide development of godly and effective Free Methodist leaders through Country Support Accounts. Select a specific country to assist at give.fmcusa.org.

Give to International Child Care Ministries' Emerging Leaders Scholarship Fund (www.childcareministries.org/give/emerging_leaders.php). ICCM identifies Christian young men and women who have been sponsored who show great potential to become Christian leaders. Through this **fund**, they receive the opportunity to get an undergraduate degree and grow in their Christian leadership capacities.

Provide practical assistance to help your pastor and other church leaders to participate in cross-cultural ministry, whether local or global.
