

Nine Strategies for the FMC-USA Suggested Action Steps

STRATEGY 5: Multiply Ministries

Pray

In 2008, Free Methodist World Missions was introduced to a church-planting model. Called Village Church Planting (VCP) or Community Church Planting (CCP), depending on its location, it was first used in Africa. The model was then picked up by FM Middle East leaders and, at the same time, was adopted for use in some of our Asian contexts. FM workers in one North African country have trained and strategically placed full time trainers throughout the country. Pray for these strategic church planting efforts around the world. Pray for church planting trainers and those they train. Pray for the world's many villages and towns that have no churches.

Grow

Read *Being the Church in a Multi-Ethnic Community: Why It Matters and How It Works*, by Gary L. McIntosh and Alan McMahan and gain insights and guidance for how to reach the different people groups within your church's community.

Give

Give to Community Church Planting efforts. Select "Community Church Planting" under Special Projects or choose a specific country at give.fmcusa.org.

Invest time, talents and resources to help local ministries and charity organizations grow stronger and multiply.
