## PORTUGAL

Eduardo & Cindi Angelo

*"How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them?"*

*And how can anyone preach unless they are sent?*

*As it is written: "How beautiful are the feet of those who bring good news!"*

*(Rm 10:14,15)*

Dear friends! We are back in Portugal after 2 months in the US where we visited **21 churches**, all of which welcomed us warmly and where we experienced so much love.

We want to **thank each pastor and every leader** as all of you blessed us in so many ways. May God bless you for partnering with us during this fruitful time.

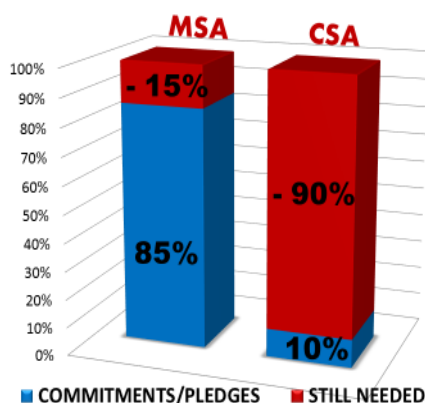

Surely our vision is to plant churches and grow leaders in Portugal, but God also continues to give us wonderful opportunities to serve His kingdom in other countries as well. Twelve years ago we helped jump start the current Free Methodist work in **Spain**. Then fifteen years ago a ministry where God led us in **Guinea Bissau, Africa**, is now growing and establishing churches under the leadership of the Free Methodist Church there. Africa's area director *Mike Reynen* recently visited this work and saw firsthand what God is doing in West Africa. The people there are so dear to hearts that we have continued to support them with our prayers and financial gifts ever since the work's inception.

At the end of September we have been invited to **São Tomé & Príncipe / Africa** for one week of teaching. Eduardo will teach *eschatology*; Cindi will teach *hermeneutics, exegesis and homiletics*.

### PRAYER REQUESTS

\* That the many new converts will grow in their faith, and that the seminary students would soon be ready to plant churches.

\* Our cell group leaders that they continue to bring new people to Jesus.

**We are currently in the RED and still need to raise funds for MSA and CSA.**
