

“For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others.” *Romans 12:4-5 NIV*

All Christ followers make up the Body of Christ.

Each part of the body (each person) is important. Each part of the body (each person) is different — they have different jobs in the church; they live in different parts of the world; they look different; they speak different languages.

Use the word banks to fill in the blanks with the Spanish and French words that mean the same as the English word for parts of the human body. One vowel is provided for each word as a clue.
