

First solve each math problem.  
Then, beginning with the answer that is 1,  
write the letters in order in the blanks below.

2+3	5+3	8+3	1+1	7x2	8-1	3x3	5-4	6+7	0+3	2x5	14-2	4+2	2x2
R	N	O	E	L	E	D	B	L	A	T	A	I	F

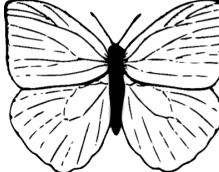

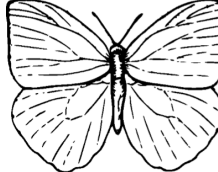

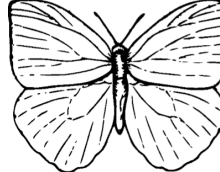

Jesus wants us to

\_\_\_\_\_  
 1      2                      3                      4      5      6      7      8      9  
 \_\_\_\_\_  
 10    11                      12    13    14

Now, what do you notice is the same between the butterflies in each row? God made each of us unique and different, but He also created us in His image. We have many things in common with all people, even if they look different and talk differently than we do.

## Which Butterfly is Different?

Circle the butterfly that is different in each row.

Answers: 2, 1, 3, 1, 2
