Jesus tells us that by serving others,
we are serving Him!

Here are a few ways you can serve others.
On the blank lines, write your own ideas.

- Find someone at school who doesn't have many friends or is lonely. Talk to that person and be a friend.
- Ask your mom or dad to take you to a nursing home, and visit the people who live there.
- Write a letter or draw a picture for someone. Remind them that you care about them, and Jesus does too.
- Find out about a food pantry at your church, your school, or in your community. Help collect food for people who are hungry.

Draw a picture of something you can do to help others.
