Pastors' Wives and Pastoras Retreat

What a special, blessed time God gave us in Mexico City with 27 of our pastors' wives and pastoras, who serve in various areas of Mexico! Pastora Mariana (photo, left) came from Ecuador, along with Mexican missionary Eunice Alvarez to share teaching from the Word on how to stay grounded in our relationship with Christ amidst the many demands a life in full-time ministry presents. This weekend took herculean efforts of planning, so we thank God for Pastor Hector in Mexico City and his wife Irene, along with our Supt.'s wife Yaneth (rt.) and others. What a joy to see these influential women who give so much receive refreshment!

Prayer Corner

Praise God for answering prayer in the Pastors' wives retreat! He took care of every detail.

It's been a year since Guy and I began to work with several leaders on the East side of Nogales to plant a new church, Light and Life Mission. Thank the Lord, there is now a nucleus of 9 leaders working together. There are three small groups meeting, and we have a thriving Kids' Club, which we hope in the coming months will become the base of contact in many homes in the neighborhood. Pray for our team to be one in vision and focus in the coming months!

“LIKE A CHILD”

Personally I have been challenged by the children in our kids' club these past months, their *eagerness* ... shown by lining up at the door on Saturday mornings before we get there ... shown by their smiles and spellbound eyes as we tell stories of Jesus (it's not our great story telling ability, it's the power of His word!) ...shown by their interest in the world...one Sunday Anna Henry, missionary from Spain came and imagine our surprise (and a bit of desperation as we wondered where they would all sit) when 20 or so kids came

marching down the hill to our small storefront mission. One precious little boy now asks every week about Anna in Spain!

Sunday during our Children's Day celebration, 55 children bowed their heads as Pastor Albano and the adults in the congregation prayed for them. Six or seven

women who attend small groups beamed as they served the children treats. Pray with us that we might reach entire families with the gospel!

these men and women to be willing to follow and receive pastoral training.

Pray for Light & Life Mission team: Pastor Albano and Cecy, Pedro and Virna, Ferny and Pamela, Blanca, Guy and I.
