Prayer Request- VBS!

Dear Friends,

Today we start our Vacation Bible School in our Light and Life (Luz y Vida) mission in Nogales, Sonora! It's called "¡Sigueme!" "Follow Me!".

1. Please pray for our workers, who are from the mission and form the mother church, Manantial de Vida (Fountain of Life).
2. Please pray for director, Pamela, a leader from the mission, who lives in the neighborhood. We have 7 or 8 women involved in leadership from the neighborhood, too, which is encouraging!
3. Please pray for logistics, as our small storefront space currently has the water cut off (all of the stores in the plaza are in the same condition). We are bringing in igloos of water! Also buckets for the toilet. We pray the city will fix this problem soon.
4. Pray for my friend Jessica and me as we do a fun program during the snack time about being part of world missions. We have a project to raise an offering for the children of Esmeraldas, Ecuador and getting to know our missionary from Mexico who serves there, Eunice Alvarez.
5. Pray for the kids to learn more about Jesus this week and will long to follow Him!!

God bless you!

Let us know how you're doing and how we can pray for you, friends,

Betsy and Guy
