Thanks for your prayers!

Dear Friends,

Guy and I want to thank you for your prayers last week in our Vacation Bible School at the new mission. We sensed God's help during the preparation and the 4 days of children's ministry. It was wonderful to see our women, especially, develop their gifts and talents in serving, helping and teaching the children. I had worked with Lupita, one of our teachers on all of the lessons, and she did such a good job.

A highlight was our missions time each day! WE talked about 4 was to be involved in missions: GO, PRAY, GIVE and SEND. The kids got really excited about the offering for the children in Esmeraldas, Ecuador. They brought a total of 301 (about \$17 dollars) pesos over the 3 days, passing our goal by 100 pesos... they were so excited. These are children who have very little, so it was heartwarming to see them give so generously.

We will write a longer update soon. Here are a few photos.

God's richest blessings on you, our prayer partners!
