

Crawford October 2016 Update

Dear Friends,

We want to **thank you for your prayers** for our first gathering in Mexico as a Provisional General Conference! It was a blessed time as leaders from each area of Mexico where we have Free Methodist churches and missions, came together to form one body. Pray for the new bishop, Rosario Castro and his wife Linda as he assumes the leadership role, and for the board of administration, that they might work together to reach more of Mexico with the good news.

This weekend we ask prayer for:

1. **Our children's club outreach**... Betsy will be leading the group today! We're exploring the "Fruits of the Spirit" in these next weeks. Pray for many children to come!
2. Tomorrow we are having a **workshop** for everyone who is involved in the children's ministry at the new mission. Betsy will lead this workshop... we are excited to gather and talk about how to reach this community, and especially the children with the transforming gospel!

Thank you for your prayers!!

"But the fruit of the Spirit is love, joy , peace, patience, kindness, goodness, gentleness, faithfulness, see control, against such there is no law." Galatians 5:22-23

Installing new bishop Rosario Castro

We enjoyed having our Latin American
Director of missions, Delia Nuesch-Olver
with us (with student Rocío)!

Our son Mark came with the team from Light and Life Communications to report on this historic event!

Our Mexican missionary to Ecuador, Eunice Alvarez joined us, as well!
