

FRENCH GUIANA

Capital city: Cayenne
Main language: French
Religion: Roman Catholic

Did you know?

The word "guiana" is believed to be the Indian word for "land of waters."

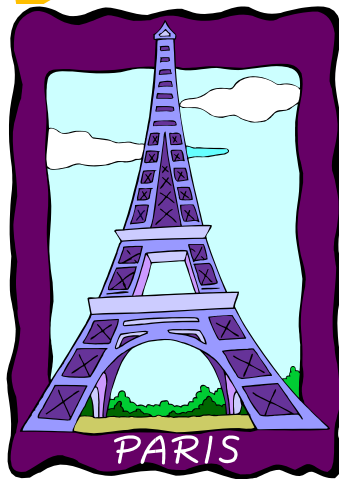

90% of French Guiana's land is covered by a rain forest.

A rocket-launching base is located in the city of Kourou.

The capital city of Cayenne gets its name from hot, red peppers grown there.

French Guiana is still a part of the government of France.

TO DO:

Use the answer graph to complete the scripture verse below. All letters may not be used.
