AFRICA

Ask the Lord to visit each FM church throughout Africa, where there is FM work in 24 countries. Many churches will hold end-of-year conventions or conferences. Pray people will meet with God and be changed by what He reveals to them.

Burundi: Pray for the 839 students who will graduate Fri., Dec. 16, from Hope Africa University. Pray they impact others for Christ and the school continues its positive trajectory in training future leaders.

ASIA

Cambodia: Pray as Cambodia FMC leaders work with Asia Area Director Eric Spangler to move toward Provisional Annual Conference status in the next 18 to 24 months. Pray for new leaders to be trained, for healthy systems to be set in place and for a strong missional core to be nurtured in the conference and within each pastor and church.

EUROPE

Hungary: Praise the Lord for the lives changed through the Celebrate Recovery program hosted at the Budapest Ministry Center. The recovery group recently celebrated its 10th anniversary. Join in prayer for the ongoing activities at the center, including weekly Bible studies. Pray for those who are seeking, as well as those desiring to grow in their faith.

MISSIONS FAMILY

Pray for the physical and emotional health of your FM missionary team. Pray also for missionary families who are separated from family members over the holidays.

Appreciation for Service: FMWM appreciates Anna Henry's service in Spain since March 2014. Anna has served as the administrator of Logos Learning Center and has handled additional responsibilities with the FMC in Rivas-Vaciamadrid. Pray for Anna's transition back to Wenatchee, WA, and for God's clear vision for her next steps.

Health: Pray for Becky Crouse who suffered a grade 3 sprain with a torn ligament when she fell last week. She's currently in a cast and is thankful for your prayers for healing lifted up on her behalf.

INTERNATIONAL CHILD CARE MINISTRIES

Pray for the safety of ICCM national coordinators who sometimes travel to rural areas on treacherous roads to reach schools and check on sponsored children.

SEED LIVELIHOOD

A number of churches are using the Advent season to raise funds for SEED Capital initiatives in [Uruguay](#) or [India](#), or for [ICCM](#) or [Set Free](#) projects. Pray these churches would see God working in their ability and choice to give. Pray more churches would catch the vision of giving to bless others and to help the initiatives become free and self-sustaining.
