

Nana (Chance's stepmom) passed away last Tuesday, but all arrangements had to be put on hold while Chance's dad with early stages of Alzheimer's was evacuated to Orlando with his assisted living community during the hurricane in Florida. He just returned back to Tampa last night. Please pray for him as he is very tired, grieving, and settling back in to a new normal.

Chance's stepdad that raised him passed away last night and was so ready to go see Jesus. He was a gentle man with a very big heart. Many around Columbus and Phenix City knew Ed Hanson and he's probably repaired many of their homes as well.

## **"Surely He has born our grief."**

Chance was blessed with 4 parents. His parents divorced and remarried their significant others when he was around 7 years old, so he has known these 4 parents

most of his life. It's been a difficult week to be away while these two major events happened and we ask for your prayers.

Our plan is to head back to the US tomorrow and see about arrangements for the two parents and check on his dad in Florida after the hurricane.

Please keep us in your prayers.

Much love,

Chance, Dee Dee and kids
