

Meet Your Free Methodist Missionaries

Julie Yerger
Rwanda

Julie has had several roles at Kibogora Hospital. Currently, her goal is to help decrease the hospital's infant mortality rate, focusing on education and mentoring for the nurses in the Neonatal Intensive Care Unit (NICU). In future phases, she will work with nurse midwives at the hospital and then with community nurses. Julie also helps with the program for poor senior citizens in the community.

Pray for:

- A spirit of understanding as Julie encounters cultural differences
- The people of Rwanda to have and show the love of God
- More Kibogora Hospital patients and staff to receive Christ as Savior
- Hospital employees to have a desire to improve the hospital and provide better patient care
