

Dear Prayer Partners in our Ministry,

Greetings in the name of Jesus. Thank you for your faithful partnership in our ministry. We are blessed to share with you what the Lord is doing because of your prayers for us.

Praise the LORD!!! A junior high student, Jason, accepted the LORD in June. Through our Victory in Life and Box Drum Class ministries we are building the relationship with him. Jason's mother is from Vietnam. His mother is a Catholic. Jason told us they always pray before the meal. Last Sunday the Drum Class participated in worship. We are very encouraged. Jason will attend a youth camp in July. The theme is How to Manage Money. The Box Drum Class teacher is Mr. Gwo. He is a college student. Pray for his summer vacation as he will practice in China. We hope to restart the Drum Class in the middle of September.

Praise the LORD!!! Our Bible reading finished the New Testament during a Chinese holiday weekend. There were different people involved at different time during the weekend. On the final day they finished with reading Psalms 119. We have not planned for the Old Testament yet. Pray for church people to have an eagerness for God's word.

Praise the LORD!!! One of the focus of our evergreen fellowship is ministry to the Indonesian caregivers. A missionary from Indonesian Yosi always comes to help us. In June we had a farewell for Siti who is going back to Indonesian for two months. Yosi share the message from Philippians 1:3-6 to encourage our caregivers.

Praise the LORD!!! The pizza party we had at our house for the ABC kids and their mothers. We also invited Jason to come. We played a game that many people enjoyed. Although Sharon and her son Ray could not come, we still want to have a relationship with this family. Before the pizza party, Lily and Josephine went to the hospital to visit Fred and Sharon's daughter Rachel. That help us to know more about them.

Pray for our plan for July. We are going to have a family camp in the church on the first three Saturday mornings. The purpose is to educate parents on how to love their children. Pray for Sandy who will be leading this camp. At the same time, Lisa, a retired minister will direct a children's choir. Pray for more people to register for this camp. At noon time the church will prepare lunch to encourage more interaction. Pray for families to grow from this camp.

In the summer vacation, we will try to follow up with the Victory in Life students. Next Sunday afternoon we will have movie and snacks at the church. Joycelyn will be leading and a woman in the church will prepare lunch. Pray for more opportunities this summer to reach out to young people and children.

We encourage you to join our Face Book group: Tim and Lily's prayer partners. We will try to put our letters and pictures on Face Book.

Today in our prayer time, we prayed for our mission office. We are thankful for their support to all the missionaries. Please let us know how we can pray for you.
