

CRAWFORD CONNECTION

FOLLOWING GOD'S CALL IN URUGUAY

What a joy and encouragement to visit Mike and Andrea Green and little Gabriel at the end of September! Thank you, friends for your prayers. We sensed God's presence during this trip. The Greens are laying groundwork for reaching Uruguayans with the hope of the gospel through Community Church Planting.

Prayer Connection

Prayer requests:

1. Besides the requests mentioned, pray for the Greens' funding. The cost of living is high in Montevideo.
2. PRAISE GOD for reports from Pastor Hiubert in Nicaragua, Despite the political unrest, 15 new house churches have been planted and they continue leadership training. Thank you for your prayers!

The goal of Free Methodist World Missions in Latin America is to fuel and sustain a biblical movement to reach Latin Americans for Christ.

This will happen by:

- Empowering and coaching national leaders to multiply disciples, groups, leaders, and churches.
- Catalyzing initiatives and partnerships to plant clusters of churches in strategic cities.

They've embraced a new culture, language and people, seeking to enter in to life here as learners, offering themselves to be available to those who are interested in exploring more about Jesus. But it's a challenge in a country where people do not naturally open up to talk about deep issues of life. Our comfort is that the Lord of the harvest, Jesus, promises to prepare the hearts of people! As Mike, Andrea and Gabe continue planting the seeds of the gospel we pray and trust God will bring in His harvest.

We so enjoyed a week together, meeting some of their new friends, like the American football team Mike plays on... yes, there's an American football league in South America! And we did some exploring of the country together. This gave this dear family a much needed rest and all of us a great time to share together in fellowship with each other and the Lord.

Please pray for the requests we've highlighted for the Greens. If you'd like to read more about them you can go to this web page: <http://fmcusa.org/fmmissions/mike-and-andrea-green/>
