

Missionaries to Athens, Greece

Hello FMWM Office

[\(Haz clic aquí para el boletín en español\)](#)

Thanks for signing up for our newsletter, We Rosados Three. We are excited to share with you the ongoing things God is doing in our lives as we follow Him to Athens, Greece.

Who are We Rosados Three?

One-Rodrigo: He is Peruvian and very proud of it (Why not? They have the best soccer and food in the world!) He loves playing, watching, reviewing, studying, and talking about soccer. He loves games and collecting. Currently, he is collecting US states he's been to- 40 at present count.

Two-Tanya: She is adventure loving. The mountains and forests call and all she wants to do is hike and camp. Encountering new and beautiful places, center her and remind her of who God made her to be. You could also just as easily find her curling up with a good book!

Three-Ellia: She is a rambunctious and extroverted almost one year old! She loves to see people, even if she isn't quite ready to engage and just wants to sit back and watch. She already loves music and has her dad's "unique" dance moves.

Three people, but together we are one family. We love to be and do together.

What are we doing?

We are going to Greece! Well, not yet. We are partnership building-raising financial and prayer support so we can follow God's call to share His love with people living in Athens, Greece.

About two years ago now, we got the surprise of our lives when the European Area Director, told us that he thought God was calling us to serve as missionaries in Europe. That conversation started a process that led us to an exploratory trip at the beginning of 2017. Although we were super excited about the work happening in Europe, through prayer we felt the Spirit tell us it wasn't the time to go. We returned home quite sad and unsure what was next, but God's timing is amazing! 2017 saw the birth of our daughter and we can't imagine having done partnership building at this time last year while getting

ready for our first child! But soon after Ellia was born, God was speaking to Rodrigo that we should restart conversation about going to Europe. Ministering in Athens became an opportunity and God made it clear again and again in messages,

devotional time, and timely unplanned phone conversations, that He had a plan for us and it included us going to Athens. We are hoping to leave for Athens in the first half of 2019. Once there we will be helping to implement a Community Church Planting strategy through the L10E Network where national leaders are developed to reach others in the capital city. In addition, we will be involved in social justice ministries as we help bring transformation through community development. Would you and your family prayerfully consider being a part of our team Greece? We can't go this alone. We are counting on individuals and families becoming part of our monthly financial support team, committing to \$25-\$50 a month. We also need 50 people who will commit to praying for us and the people of Athens. If you're interested, please click the Join the Team link below to commit to pray or securely sign up to financially support us.

Your partnership and prayer are such an encouragement and are essential to God's mission in Athens through us,

Blessings,

Tanya, Rodrigo, and Ellia
