September: A Month In Pictures

School has started! Our history curriculum this year is focusing on geography. We will be studying world areas, missionaries in each area and the geography that goes along with it. It is a great year for this as we are planning our big move to Hungary!

Alton Emmanuel Free Methodist Church

We saw some old friends at Alton Emmanuel and met many new friends also!
Many people spoke words of encouragement over us and the church was a blessing to be a part of for a Sunday.

Driving home from Alton, the girls needed some rest. Chadwick and I needed some....

Coffee!

In September we also started cleaning and preparing our home to be listed for sale!

The Anderson girls were such big helpers since they know that selling our home means we are one step closer to moving to Hungary! They love to help and be a part of our family mission however they can.

Tower Hill Free Methodist Church

The girls have a plan for each Sunday that we attend a church for when daddy does his presentation and needs just "one volunteer" to stand at the front. They work it out ahead of time as to whose turn it is to stand in the front. We are so glad they love to be a part of sharing our testimony!

We felt honored to visit Tower Hill and hear all of the testimonies of prayers being answered in their church. God is good!

A few days after the hurricane hit North Carolina, we took off with Pastor Paul Alf and his wife Tiffany to Greensboro for the D6 conference. The conference sessions were great reminders of how God can use discipleship in the home to transform his kingdom.

Chadwick was able to write and perform [a spoken word](#) for the stage at D6.

By happenstance, I just finished reading a book on Christian hospitality right before we left for NC. "[The Gospel Comes with a House key](#)." The author of the book I read lived in NC. I emailed her publicist and asked if we could come to one of her open door dinners while we were in NC. She said "yes!" We felt honored to be a part of Rosaria Butterfield's table as I was given the chance to observe a radical form of Christian hospitality in practice.

More school! We love to intertwine great books with all that we are learning in our school day! Even Toby the cat likes to be a part of what we are reading.

At the end of September, we were able to speak at both Centralia and Salem Free Methodist Churches. So thankful for the hospitality shown and the welcome we received!

On the way home from Salem, our van decided that it was going to quit. We are so thankful for friends from Moundford who came to our rescue and followed us back to Decatur so that we could get our van taken care of and fixed. God has provided through friends at Moundford for the care and expense of the repairs to our van. We are so thankful!

Ruby (age 9): "Meeting new people!"

Phoebe (age 7): "Trying new food!"

Ministry in Gyor, Hungary

Gerry and Kati McNamara just hosted an outreach event called Quiz night in Gyor. They were hopeful that the event would encourage the current believers in their church community as well to have some new people come and fellowship together.

This is taken from Gerry's blog, www.hungaryforchrist.org:

"We had a wonderful quiz event this afternoon. Gerry was the quiz master and Kati translated and hosted all the guests. Nearly 30 people turned up and we had a total of 6 teams. The first place team won by just half a point which made for a very exciting finish.

Kati and I are actively attempting to build community and develop relationships. It was many, many hours of work for us but we hope and pray it will have served as an encouragement to the believers in our group and that some others may begin attending our services. Ultimately we hope that people will come to know the Lord and love Him as we do."

Talking to Gerry a bit further he said that as a result of the event, they have made new contacts and a new person came to church the following day. Praise the Lord!

Please continue to pray as Gerry and Kati minister in Gyor for their health as they enter the colder months and pray for them as they continue to reach new people with the Gospel.

Praises and Prayers

- Our home has been listed for sale by owner! Please pray for a buyer and a place for us to live once our home is sold.
- We were able to skype with Josue' Fajardo, FMC missionary to Madrid, Spain about ministry in Europe. It was an encouraging conversation and we are excited to join the European Free Methodist Missionary team!
- We are thankful for all of the opportunities we have been given to share our story of stepping out of the boat and following God to Hungary.
- Prayers for Chadwick's dad, Bob, as he is currently undergoing chemo.
- We are filling up our speaking schedule for October & November, but have January through April completely open. We are in need of more churches to welcome us in as missionaries. Please pray for God to open doors.
- Be in prayer for the children's home in Győr, Hungary. I have been told that their behavior toward each other and the staff has been very poor lately. Pray also that they receive Jesus as their Savior.

We would love to hear from you! Hit reply and let us know how we can be praying for you!
