AFRICA

There are still two personnel needs in Africa that need to be filled. [Kibuye Hope Hospital](#) in [Burundi](#) needs a site manager, and [Kibogora Hospital](#) in [Rwanda](#) is in need of someone to coordinate hospitality ministry. The needs could be filled by individuals, couples, or families who would be willing to commit to serving 1-2 years. For further information contact beth.cullison@fmcusa.org. Please join in prayer that those God is calling will answer with obedience.

Continue in prayer for the opening of the Evert Bible College in [Tanzania](#). The first module will be January 21-February 22. Pray for the many men and women who will be trained for ministry through this school.

ASIA

Pray for [Gene and Minori Hall](#) who have been appointed as VISA missionaries to Japan. They are currently in the process of partnership building in the U.S. with plans to be on the field by August 2019. Pray that the Lord will provide a strong base of partners through both prayer and finances.

EUROPE

Missionaries [Larry and Katie Winckles](#) are in the process of renewing their residency permit in [Hungary](#). Pray for them over the next two weeks as they gather the required documentation and complete the application before the end of January. Pray that their application will be accepted and approved without complication.

LATIN AMERICA

[J.R. and Becky Crouse](#) report 15+ individuals have been studying Community Church Planting methods. This month those individuals will begin investigating communities in Quito where they sense the Lord is sending them. Pray for these leaders as they do prayer walks in these neighborhoods. Pray that 2019 will be a year when the [Ecuadorian Free Methodist Church](#) reaches many people with the good news of Jesus.

MIDDLE EAST

In one area where people are struggling financially and economically, the villagers are hungry to grow in their knowledge and understanding of God. They crowd into a small house to hear the Word of God, some standing throughout the entire service. Praise the Lord for their hunger and pray for the church planter who is discipling them.

INTERNATIONAL CHILD CARE MINISTRIES (ICCM)

Pray for the ongoing work in progress at ICCM construction projects to stay on schedule for completion.

SEED LIVELIHOOD NETWORK

Volunteers are helping the SEED team do inventory this week. Thank God for the efficiency of the SEED office team and the help of volunteers in supporting partnerships with the livelihood groups around the world.

SET FREE

Pray for three members of the Set Free staff who will be traveling for three weeks (January 22- February 12) in a creative access country. They will monitor anti-trafficking programs for child protection and large-scale community education.
