

## Songs of Praise

*by IME Leader*

She was arrested and imprisoned for killing a neighbor's child. Inside prison her life was changed as she participated in spiritual meetings led by Impact Middle East.

When the judge sentenced her to 25 years, we were shocked by her response. She was happy and expressed her joy to all present. We asked her, "How can you have such joy?" She told us that 25 years gave her a great opportunity to serve Jesus in the prison.

Many prisoners have had the opportunity to see the change in her life and to hear her words of praise to God. She became a servant to sing spiritual songs inside the prison. Praise the Lord!
