AFRICA

Pray for [Vickie Reynen](#) who is traveling in [Nigeria](#) for ICCM work from March 14-22. Ask the Lord to provide protection, grant wisdom, and make her connections and ministry fruitful.

There continues to be a need for persons to fill two specific personnel needs in Africa. [Kibuye Hope Hospital](#) in [Burundi](#) needs a site manager, and [Kibogora Hospital](#) in [Rwanda](#) needs someone to coordinate hospitality ministry. These opportunities for service could be filled by individuals, couples, or families who would be willing to commit to serving 1-2 years. Please join in prayer that those God is calling will answer with obedience. For further information contact Beth.Cullison@fmcusa.org.

ASIA

Pray for the house churches in a creative access country in [Asia](#) who are experiencing increased persecution. Pray for the pastors and congregations who have had to abandon Sunday worship gatherings to meet in smaller groups in random locations.

EUROPE

International missionary [Gerry McNamara](#) requests prayer for two refugees from the Middle East, "F" and "H", who recently began worshiping at the Free Methodist Church in Győr, [Hungary](#). They were tortured, beaten and mistreated on their road to freedom. Now they are free to worship God and be welcomed into a church family. Pray for them and pray that the church will be a source of God's healing and love.

LATIN AMERICA

Please continue to pray for healing for [Paul Olver](#), husband of [Latin America](#) Area Director, Dr. Delia Nüesch-Olver. Three weeks ago, he suffered a serious freak accident at the Colombia Mission District annual meeting. Both the surgeon and physical therapist are pleased with the progress of his wrist after reconstructive surgery. He is waiting for broken ribs and lacerated lung to heal before being treated fully for a massive blood clot in his leg. He will be hospitalized again this week for further tests and treatment. Pending those results, he could be cleared to fly back to Miami next week.

MIDDLE EAST

Pray that those who are blinded from the reality and truth of Christ will have their eyes opened and be able to walk in the light of His grace and love.

INTERNATIONAL CHILD CARE MINISTRIES (ICCM)

ICCM speakers and advocates speak in churches, and other venues across the U.S. about the impact sponsorship can have on a child's life. Praise the Lord for these opportunities. Pray for more opportunities to speak in 2019.

SEED LIVELIHOOD NETWORK

Praise the Lord the [Mango Showers](#) livelihood group got their new export license which will allow them to export larger quantities. Pray for the young women and girls at this design school who are learning art, design and product development.

SET FREE

Pray for the Freedom Forum that will be held in Decatur, IL on March 23. This event will give special attention to examining the intersections of domestic violence, sexual assault, and human trafficking and how these issues impact the youth in a community. Pray that this will result in action steps that will be transformative in local communities. Click here for more information or to register – [Freedom Forum](#).

VISA MINISTRIES

Pray for a team from the Apollo Free Methodist Church in Apollo, PA that will serve in the Middle East March 25-April 2.

Please pray for the preparations taking place for the General Conference mission trips, as well as for the individuals who plan to participate.
