

## Meet Your Free Methodist Missionaries

---

**Julie Yerger**  
*Rwanda*

Julie works on nursing quality improvement at Kibogora Hospital and is currently assigned to decrease the infant mortality rate in the Neonatal Intensive Car Unit (NICU) through nursing education. From 2012 to 2017 they have seen the infant mortality rate drop from 9.6% of admission to 6.2%. Touching the lives of babies through medical care gives Julie, the nurses, and the hospital chaplains a chance to minister to the families spiritually as well.

**Birthday:** June 13

**E-mail:** [julieyrn@yahoo.com](mailto:julieyrn@yahoo.com)

**Website:** [www.julieyrn.org](http://www.julieyrn.org)

### Pray for:

- Patients, family, and staff at the hospital to experience Christ's love through compassionate care
- Continued healing – medical and miraculous
- Wisdom for the hospital leadership on how to operate the hospital more effectively for continued patient care
- Julie to have wisdom on the next step with nursing education and quality improvement
