

What's up with the Gilmores

Community Church Planting - CCP

At our church's General Conference in Orlando, we received training in Community Church Planting and met with the IMPACT EUROPE team. The team is implementing the Luke 10 method Jesus used 2,000 years ago of planting communities of faith in households that are receptive to the gospel.

We need you to pray

- That during our September 'get acquainted' trip to Spain we will see what we need to see to properly prepare and catch a glimpse of God's heart for Spain.
- That God will begin to prepare the hearts of Spaniards we will meet to receive the good news of salvation in Jesus.
- For more prayer and financial partners

Many thanks to all of you who have committed to pray for us and who have given or plan to give towards our support. We are currently about 35% funded.
