WE ARE READY FOR THE CHALLENGE

After five months of preparations, by the grace of God, we are ready. We were able to finish the courses planned for 2019 for the House of Prayer (Casa de Oracion) Bible Institute, ending with the second promotion of the same. We are also glad to yield the leadership of the Church to the trained graduate leaders of our Bible Institute, persons who are dedicated and committed to the service of the Lord.

During the month of August, we packed up our things and handed over the pastoral house where we lived in for four years. We already have the residence visa to enter the country. We are scheduled to leave New Jersey, departing on September 17th, and arriving in Madrid, Spain on
**September 18th.** Upon our arrival, we will have to acquire the required documents, rent a house, and do other necessary things that will be needed to establish ourselves there.

We are thankful to God for everything he has done with and through us in these 15 years that we served in New Jersey. We are also grateful for those who have supported us with their prayers, their advice, words of love and encouragement, for all those who have committed themselves financially, and for all those friends we’ve met during this process – and to our loving church, Casa de Oracion – our hearts are so full of love for you that it hurts us to be separated, but we are thankful for your love, for understanding our calling; thank you for your faithfulness to the Lord and for your missionary vision.
We have great expectations of what God will do, knowing that "He who began the good work in you will perfect it until the coming of Jesus Christ" (Philippians 1:6).

We are counting with your prayers for:

- Our children who are staying in New Jersey;
- For God’s protection on Casa de Oracion;
- For our development alongside the team that works in Europe, and that we may continue the work that we were called to do and that to God may always be the glory and honor.
We accept the challenge to leave again and go where God has called us. And you?
Do you accept to commit to the challenge to be a supporter and/or sponsor so that together we can achieve the calling of the Lord?
