

## Gilmore Snapshot To Spain and Back

The Spain team in front of the Mosaic Cultural Center We just returned from a whirlwind ‘get acquainted’ trip to Spain. We explored Madrid, visited the Canary Islands and met the amazing team with which we will be working. It’s a very talented group from diverse backgrounds: Dominican, Puerto Rican, Brazilian, Ghanaian, Uruguayan, Venezuelan, Spanish, Egyptian and

American. Our cultures and first languages are different but our mission is same: **To start and sustain a biblical movement that reaches Spain for Christ by multiplying disciples, developing and empowering national leaders that will establish transformational churches.**

We are in the early stages of the mission and just beginning to make headway. But with God's enablement and your support in prayer people will discover the life transformation that Jesus offers.

PRAY:

- For Carmelo, the national leader of our church in Spain, as he undergoes neck surgery soon.
- That we will find creative and effective ways to engage the community surrounding the Mosaic Cultural Center.
- That we will be fully funded by January 2020 (currently we are 65% funded),  
That we will be able to sell our home quickly and move to Spain at the beginning of next year.

THANK YOU FOR YOUR PRAYERS, ONE TIME GIFTS AND MONTHLY FINANCIAL SUPPORT!!
