

FREE METHODIST WORLD MISSIONS

The Partnership Affirmation Process

The Scriptures provide us a powerful promise and guidance for investing strategically in the Kingdom:

“Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work”. (2 Corinthians 9:6-8, NIV).

The Partnership Affirmation Process enables Free Methodist World Missions to thank our ministry partners and provides a clear path for donors to communicate their intent to invest in worldwide ministries and to partner with national leaders and missionaries.

We encourage individual donors and churches to prayerfully follow these steps in determining what they will give during 2020.

Step 1

(September to November)

Seek God’s Guidance

Take time to pray and reflect. Meet with friends, spend time with your church’s ministry staff, gather with members of your church’s leadership team and ask God for direction.

Step 2

(October to November)

Allocate Monies Strategically

Once you have a sense of direction, evaluate your budget. By faith, allocate these monies strategically and trust in God’s abundant provision.

Step 3

(December to January)

Communicate 2020 Commitment

- Go to fmwm.org and click “COMMIT”
- Follow the link to fill out the form online or

Making a commitment helps provide the church and the donor clarity in terms of the gifts they plan to give in a specific ministry year. Communicating those commitments to FMWM helps missionaries and world area overseers to know of those who are standing with them in ministry. Additionally, the commitments provide a means for evaluating budgets and fund levels for Church Planting & Development funds (CPDs) and Missionary Support Accounts (MSAs) during the year.
