

THE OWSLEY CHRONICLES

November/December 2019

Dear Praying Friends,

As we approach the Thanksgiving and Christmas holidays, we are counting our blessings. We're grateful for the many friends and supporters who have allowed us to share stories of God's goodness and faithfulness during the last seven years in Brasilia. Thank you for your steadfastness in giving and praying.

An effective ministry is just the tip of a great iceberg of prayer.
(from Lillian Harriff Oliveira's missionary memoir, [An Irrepressible Passion](#))

Travelling Far...

In addition to teaching a missions class at Spring Arbor University, Dan has kept busy maintaining contact with Brazilian colleagues regarding our future assignment at the seminary in São Paulo. **He traveled to Brazil in October to attend the Brazilian General Conferences and the World Conference.** He translated for several speakers and also did some ground work, investigating possible neighborhoods in which we might live and ministry opportunities. We look forward to our move and all that God has in store for us, and **we would appreciate your prayers for us during this transition.**

And Near

Meanwhile, we are still engaged in visiting churches and partners in ministry. Since Dan began teaching his missions class, we have not been traveling quite as far as we could during the summer, but we are still on the road most weekends; it is a joy to re-connect with those who support us with their finances and their prayers. **One dear lady apologized to Hope for giving only a "widow's mite," but when she told us she prayed for us EVERY day, we knew we were wealthy beyond measure.**

Looking Toward 2020

As we look to the New Year, we are trusting that we will be **fully funded for our return to Brazil**. If you have not done so already, would you consider making (or renewing) a pledge toward our ministry? You may do so online ([here](#)) or by making a phone call to Debra Hancock at HQ. (317- 244-3660, Ext. #232.) **Thank you for your investment in God's eternal, unshakable kingdom.** (Heb 12:28)

For His Glory and our joy,

Dan and Hope
