

ECUADOR

I give thanks to the Lord for his son Jesus Christ our Lord and Savior. Just a few days ago we remembered His birth and Incarnation as a man. It was a time of great joy and thanksgiving for his goodness, mercy and grace. There are no words to describe all that Jesus is in my life, because He is everything.

God has been so good. This last month I needed to go to Mexico to arrange some documents for my visa and praise the Lord everything was facilitated. Once I got those papers I was able to get the visa smoothly, in just one day! Praise the Lord! Now I have the visa for 2 years. Thanks to all of you for your prayers.

To end up this year we have seen God working in the hearts of new families. In our Christmas celebration at the Central Church we had five new families visiting us. They attended to listen to the message of the birth of our Lord. Please help us pray that the seed that has been planted in their hearts will bear fruit.

MINISTERIAL TRAINING CENTER

For next year we have been promoting the ministerial training Center. I have been visiting every one of our churches to encourage them to participate. We want to form healthy and integral servants with a love for God above all things.

It is our desire that every day more servants join in the vineyard of the Lord, willing to magnify His Name and His Kingdom.

PRAYER REQUESTS

- For every new family that has listened to the message of salvation
- For every one of the teachers in the different centers of formation, for grace, wisdom and guidance from the Holy Spirit
- Each and every one of the students that they have disposition, willing hearts and perseverance in their formation.
- For every one of our mentors so that we can guide, encourage and cheer up every one of our local and conference ministerial candidates
- for the work plan for this next 2020.
