

## The Owsley Chronicles - April/May 2020

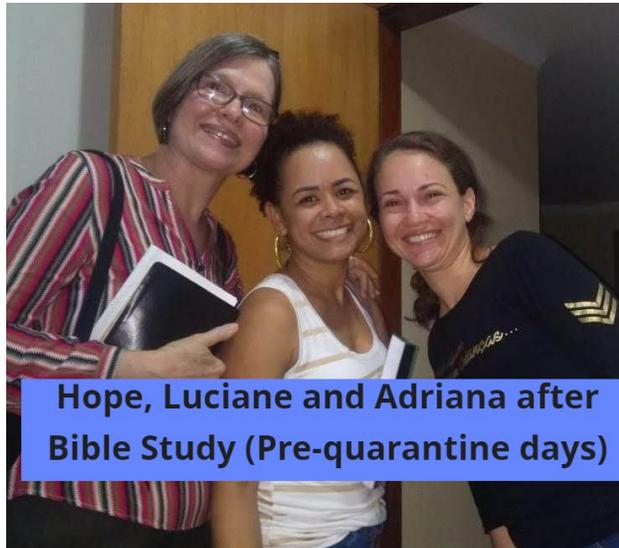

Dear Praying Friends,

Thank you for your prayers for our health and safety. We have been sheltering in place and trusting God to take care of us and our loved ones. The Scriptures have filled our hearts with hope and comfort, reminding us that in an uncertain world, we serve the Lord of **an unshakeable kingdom** whose purposes cannot be thwarted. (Heb 12:28).

---

### **A Steadfast Joy**

We continue to hear stories of how God is using the members of the Brasília FMC to build up His kingdom. Nena, Dan's long-time mechanic friend, who was marvelously saved two years ago, is a dynamic evangelist. Luciane, a woman who Hope disciplined, is preaching the gospel on her Instagram account. We agree with the apostle John that there is ***no greater joy*** than to hear that our [spiritual] children are walking in truth. (3 Jn 1:4)

**Hope, Luciane and Adriana after Bible Study (Pre-quarantine days)**

### **A Continuing Ministry**

We are grateful that although we are quarantined, we have been able to maintain contact with seminary students, ministry colleagues, friends and family. **Next week Dan will lead a webinar for our Brazilian pastors on the ongoing effects of the Wesleyan revival.** He just completed his seminary class on the Gospels (through Zoom meetings). We praise God for the responses of his students. Geysel wrote this prayer after studying Mark 8, "*Oh, Jesus, you are so great, so powerful. All wisdom is in you. I am so small in your presence. I know so little that each time I read your Word it teaches me. I only ask that you help me to put into practice all the rich things I am learning. I want to be sensitive to your voice. Don't let me get off track for even a minute. Please help me. In Jesus name, Amen.*" **Please pray for the next module that starts on Monday, May 4<sup>th</sup>.**

## Thank you for partnering with us!

We are grateful to you for your prayers, love, and gifts that keep us encouraged. If you would like to contribute toward our missionary support, you can do so at [thislink](#).

For His glory and our joy,

*Dan and Hope*
