

Welcome to the Zoom Generation! Working remotely for the mission, I have been blessed to be prayed with and prayed for from Vietnam, Cambodia, Myanmar and Nepal on Zoom calls this past week. What a strategic way to use technology to overcome the limitations of our pandemic! What a joyful way to stay connected to these faithful leaders on the other side of the world!

As promised, a new project has been launched -

Friends of Myanmar and Light and Life Bible College!

2019 Light and Life Bible College Graduation

Light and Life Bible College (LLBC) began in a rented house in 2005 with five students. The college offers a four year degree supported by volunteer teachers often shared with other Myanmar Bible colleges. To date there have been twenty-seven graduates with 95% of them serving in Free Methodist pastoral ministry in

Myanmar. This past school year included fourteen students, eight men and six women, four of whom graduated.

In March Ellen and I traveled to Yangon to meet Principal Biak (Solomon) Nun as well as our students. I was entrusted with the privilege of serving as Commencement speaker for their graduation program. Overcoming the severely limited facilities, we were deeply inspired by their dedication to prepare hearts and minds for Kingdom service.

Our Free Methodist family in Myanmar, under the leadership of Superintendent Pa Kep Thang, has a God-sized vision which necessitates the growth and expansion of LLBC. With this purpose in mind, we have created a task force to help us launch the Friends of Myanmar and Light and Life Bible College. This group met via Zoom call and as a first project is raising funds to pay off the \$5,500 (US) outstanding one-time property tax from the purchase of the facility now in use by LLBC. Over three-fourths of that amount has been raised or pledged in the first week! If you would like to contribute, please click on this link and in the comment section enter “LLBC Property Tax”: <https://give.fmcusa.org/page.aspx?pid=1181>

We will soon create a private Facebook group for all those interested in receiving updates and prayerfully supporting this ministry.

Thank you for your faithful and prayerful support of God’s work in SE Asia and our opportunity take part in this blessing!
