

## The Owsley Chronicles - Aug/Sept 2020

### God is not Limited by the Coronavirus

#### Unlimited Opportunities for Theological Education

Although schools will continue to be closed till the end of the year, we have not lacked opportunities to preach and teach online. Dan has taught theology and Bible (most recently the books of Genesis and Psalms.) **Hope is getting ready to teach Theology of John Wesley during the month of September.** Because the class will be online for the first time, MANY more students from all over Brazil will be able to attend. Our recent blog [post](#) tells the story of seminarians who are hungry for God.

In 2 Timothy 2:9 Paul writes that though he is in chains, the proclamation of God's word is not hindered. The same has been true for Latin America! Although we have felt hampered in ministry with social distancing, we have discovered that God has no limits to what He can do.

**Did you know that more than 200 new house churches have been planted in Latin America this year? Or that the Free Methodist church in Venezuela is growing exponentially?** Click on this [link](#) to watch a 4-minute video of what the Lord is doing.

## Unlimited Grace for Each Challenge

We thank God for helping us to adapt to many changes. He gave us the gift of a visit from our son Nathan and his wife Meghan as they headed to Belize to teach school. He has opened doors for us to minister to people in our building. We've been meeting weekly (online) for discipleship with believers from other cities in Brazil. **God is doing a great work and we are privileged to have a front row seat. Thank you for your prayers and [giving](#) that make all this possible.**

For His glory and our

joy, **Hope and Dan**
