

# CRAWFORD CONNECTION

## MORE THAN WE COULD EVER ASK OR IMAGINE!

Paul reminds the Ephesians in his letter (3:20) of how great, powerful and amazing our God is! He praises “Him who is able

to do far more abundantly beyond all that we ask or think, according to the power that works within us.” We pray, and often do not even know how exactly to pray, but He hears and moves and does extraordinary things. Since we last wrote at the end of May, God has been working and doing things we truly could never have imagined. The Everest Food Climb that we wrote about in our last letter was a huge success, raising over \$18,000 to help with crisis relief.

In the midst of this pandemic many new house churches have been planted and many leaders have continued to be trained! The missionary families we work with have come alongside our national leaders facing the many challenges together. God has been faithful and kept bearing fruit in and through their lives. While the limits of quarantine have been difficult, new avenues and opportunities for ministry have been discovered.

Guy and I feel so privileged to be able to know and serve this team. Our small pastoral care groups have continued through these past 6 months. After a break in August we are back meeting again every two weeks. For now we continue to minister to the missionaries from the U.S. We are thankful for technology, which makes it easy to communicate regularly. Pray for us to be attentive and supportive, as we long to be an encouragement to these precious families.

We have two new families on our team. Pray for the Shane and Katie Jewel family (Colombia) and the Rodrigo and Tanya Rosado family (Argentina) as they raise support for their ministries. We also pray for Rich and Laurie Sheriff’s support-raising for Chile.

We would love for you to watch this short video of what God has been doing in Latin America during the pandemic.

3. Pray for the JR and Becky Crouse’s sabbatical this fall, rest and renewal.
4. Pray for encouragement and break-throughs in the Greens’ work in Uruguay
5. Pray for the children of our missionaries as they’ve had 6 months of quarantine and many changes in plans and schooling.
