WEEKLY PRAYER

PEOPLE OF PEACE

We have not continued to pursue Emanuel and Pamela as people of peace. They have not shown interest so we have decided to focus elsewhere.

We continue to pray for Fernanda who sells food at our park. We've decided to do a monthly outreach on the last Sunday of each month. We will buy pre-made cookies from Fernanda and give them out for free to people who walk by our house to go to the park and offer prayer. The strategy serves Luke 10 purposes in many ways.

FOOTBALL LEAGUE

Mike had his first game of the year. He took a risk to invite the guys to join him for prayer before the game.

At first there were two enthusiastic guys. As they were about to pray, the whole team came walking over. Mike prayed for all of them and then they all said the Lord's Prayer together. This helped to show who the spiritually sensitive people on the team are.

TRAINING PROCESS

We finished the Basic Disciplemaking training with Katharine and Laura this past week. To our disappointment they didn't really take to it. However, they did say they would recommend the training to Pastor Koko who is the pastor of the Church we attend on Sunday's. Training at CCA will help us identify his apostolic leaders.

ANDREA SERNA

Please pray for Andrea, after a very difficult year working for an unkind and dishonest boss, Andrea decided to quit her job. The boss was not paying her fairly, expecting to much work and not paying for her workers comp insurance. She feels better not working in that environment but is nervous she won't find another job.

Pray as we are going to propose to do a bi-weekly gathering for Angelina (Andrea's preteen daughter) and her friends to hear the word and hang-out and eat together at our house. We'd like to figure out a way to do a same thing for Gabriel and Kylie's age.

WEEKLY PRAYER

PRAYER WALKING AND FASTING

This week's prayer walk, we identified two places to focus our prayers and encountering people. We remembered that Jesus found the meeting places and Spiritual hotspots of the towns He entered.

PRAISES

We are thankful for the confirmation about the football team. Also, being able to make some plans for new outreach has been encouraging.

Gabe is doing great at school according to his teachers.

COMMUNITY AND FRIENDSHIP

Andrea is thankful because another missionary friend has been reaching out and plans to do a monthly Mom's bible study. This will allow us have some encouragement. We are still praying for some guy friends for Mike.

PASTORS SEBASTIAN AND VANESA

Pray for the 15 people they are training as seedsowers. They are hoping to prepare many who sow the Gospel and then identify who their church planters are. Right now Prs. Sebastian and Vanesa are attending or leading 80% of the 16 houses that have opened to receive the Gospel. Pray that God would clarify for them which of those houses are truly houses of peace and which are not. Also, that they would identify the leaders that need to be leading those so they can focus on training and strategizing for the district.
