

2020 has passed so quickly that, without realizing it, we have already reached the end of October. We will never forget this year! So many people we love were taken and so many others have been hurt, but we can say that Jesus was preached as He has not been in recent decades. According to a worldwide statistic, thousands were baptized on all continents in just 6 months. Isn't that wonderful! Here in Portugal we are back to confinement and maybe even the state of emergency. With almost 2000 infected per day, our authorities are very concerned about this second wave.

Please, as we pray for you and your country, continue to remember us in your prayers.

Missionary partnership is something that glorifies the name of the Lord. We praise God for the partnership you have with us whether it be praying, loving or contributing financially. Every time we sit down for a meal here at home, we pray for all our partners. If we have a plate of food or we can offer it to other people, it is because God has raised up our partners. Eduardo and I have been going to some medical specialists and dentists. Each time we are in a medical facility, we pray for those of you who help us have health insurance. Yes, we have been very blessed, and we ask God to give each of you a great harvest in all areas of your life.

We are continuing our prayer meetings through digital platforms and it is good. About 70 people have gathered every week to cry out for God's mercy, and our cell groups have also grown.

The **WOMEN'S MEETING** via ZOOM connected more than 70 women. We want to stay in touch with our people easing their anxieties by being together and making a difference even if only through social networks. We also had the **PENIEL RETREAT** with 30 people. It was amazing!

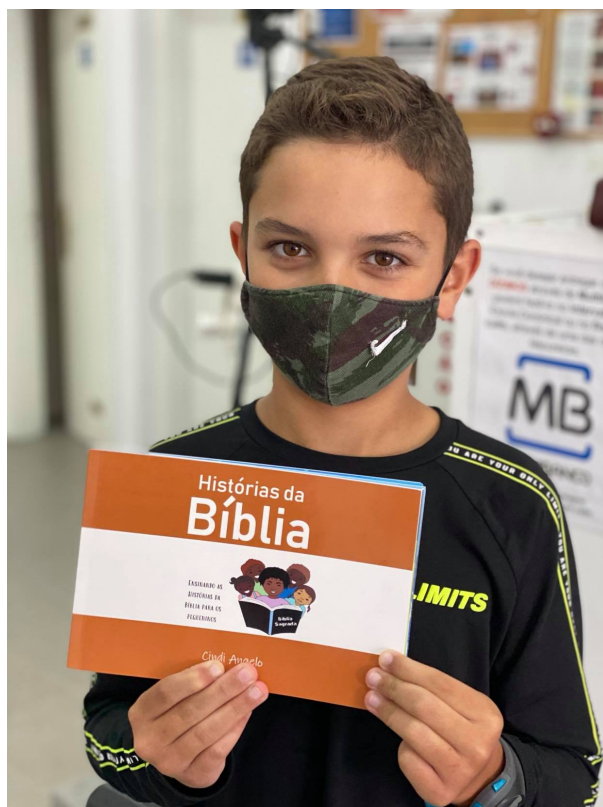

On Friday we'll have the **MEN'S MEETING** with our friend Pastor Sergio Elias from an FMC in CT giving a word to the men.

Another joy this month is sending one of our most committed young people, **MATHEUS GONÇALVES**, to **São Tomé and Príncipe** for 8 months. He will help the Souzas in the FMC there and also serve with YWAM.

We are thrilled to see that the ministry the FMC here in **Portugal** supports in **Guinea Bissau** is moving forward. The **CONSTRUCTION OF THE SCHOOL IN INGORÉ** is advancing with 60 children already enrolled in a Muslim village. This is a miracle! This school will shine a wonderful light in that place.

The **NEW BOOK BY CINDI FOR CHILDREN** is ready and, by faith, we will send 1200 books to **Guinea Bissau and São Tomé** next month. It illustrates Bible stories for little ones.

Thank you for partnering with us in 2020.

We look forward to continued and expanded ministry in 2021, and we hope you will continue to share in this wonderful ministry with us.
