God Wonderfully Answered Your Prayers for Us!

Overwhelming Response to Wesley Class

We had over 50 students with various levels of education and we asked you to pray for us to be able to teach to each level. Wesley's sermons were foundational to the class, but their length and antiquated language would be daunting to those with barely a high school education. The Lord gave us a wonderful solution. Hope edited and simplified the sermons as much as possible (without changing their meaning) and Dan recorded them for the students to listen to. The response was amazing.

Student Testimonies

Célia wrote: "This sermon was so good and made me reflect about the depth of my commitment to Christ." Another student said, "This sermon really impacted me. I sensed the Holy Spirit speaking to me and I couldn't help but shed tears over God's goodness in speaking to me at every point." Natália wrote, "I love Wesley's writings. He has become my friend and counselor."

(Fun fact. One of her students discovered that Hope's devotional book is now available for Kindle!)

Unexpected Perk of the Pandemic

While "stuck" in the apartment building, we have gotten to know all of the workers. (They now call Dan their pastor even though most are not yet Christians.) They invite us to their birthday parties so we can pray for the "aniversariante".

We continue to teach, preach, and meet weekly (online) for discipleship with believers from other cities in Brazil. **Thank you for your prayers and [giving](#) that make all this possible.**

For His glory and our joy, *Hope and Dan*
