

# Thank You! Asante! Gracias!

Now to the King eternal, immortal, invisible, the only God, be honor and glory for ever and ever. Amen.

Dear friends:

What an awesome God we have!!!!

During these past weeks and days we have experienced the mercies and goodness of our God in special ways. In early October, Letty was diagnosed with breast cancer.

We are so thankful for so many cards, emails, and messages of encouragement, love and support from so many people who are praying for us.

Through many doctor appointments, blood tests, sonograms, scans, and X rays, we have seen and felt the protection of our God.

Last Wednesday, during an MRI, she had a severe allergic reaction to the contrast dye- she had a seizure and was rushed to the E.R.- she spent the whole night at the hospital. After many more scans and studies, praise the Lord, no other cancer has been found in her body. We give all glory to God.

We would like to ask for your continued prayers, on Thursday, (November 5) she is to have surgery to remove the cancer.

There are not enough words to thank you for your prayers and for the love that we have been shown through the years, but especially during this trying time. May the Lord continue blessing your lives!

We love you,

Ken & Letty Myers

To him who is able to keep you from stumbling and to present you before his glorious presence without fault and with great joy— to the only God our Savior be glory, majesty, power and authority, through Jesus Christ our Lord, before all ages, now and forevermore! Amen.
