

News from Camilo & Magaly Mora - November 2020

The Word Of God is Not Confined

We cannot believe that we've been here in Madrid for one year! Time has passed so fast!

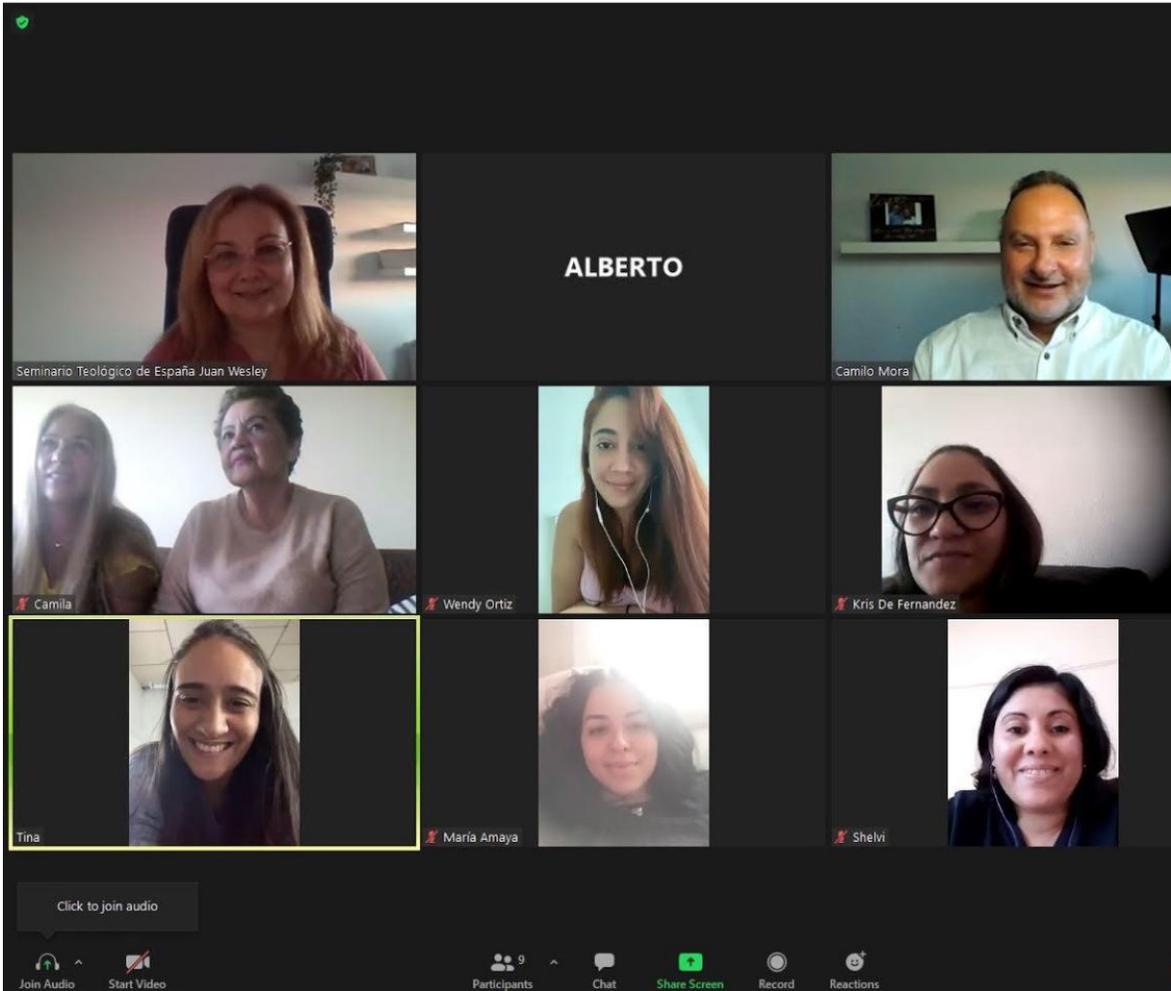

This has been a very difficult year for everyone. Many lost their jobs, some have fallen ill, the lack of physical and financial security has driven many to depression and

sadness. Spain is passing through moments of turmoil and inconformity. In times like this, the church has a fundamental role.

Although confinement has prevented us from doing many of the things we had planned, the church is not confined. God is always in control and His name will always be glorified.

In the last few months, our work has been mostly concentrated on phone calls, video conferences and some in-person activities.

The Free Methodist Church Light and Life (Luz y Vida) in Rivas, Viciamadrid, continues with it's in-person services (simultaneously through the internet) and we continue supporting the worship and preaching ministries.

The bible study group in Madrid has been unable to meet at Burger King or at the park, but we continue to have Sunday services through video conference. Recently we started to have Tuesday prayer services too.

Sister Ofelia, one of the students at the John Wesley Theological Seminary here in Spain who took the course for Bible Study Methods and Rules of Interpretation with us, now helps with the bible studies. She prepares the bible study with great dedication and love.

At the present time, **Magaly is teaching a course at the Theological Seminary** here in Spain called **Musical Language and It's Use in Worship.**

Camilo is following up on the work we have in **Greece, Portugal, and Spain.**

Our children continue to work in New Jersey and, during the month of October, our daughter-in-law caught the COVID-19 but, thank God, she's doing better now.

We thank God for your prayers and financial support. **Your faithfulness strengthens us and encourages us to continue working.**

Please pray :

- for a good strategy of expansion in midst of this pandemic
- for good opportunities to share our faith in Jesus
- for physical and spiritual protection
- that Spain can be transformed by Jesus Christ

"... But the **word of God cannot be chained.** So I am willing to endure anything if it will bring salvation and eternal glory in Christ Jesus to those God has chosen." 2 Timothy 2:9-10
