

### **Almost on the Road Again**

Thank you so much to everyone who has answered our invitation to help put a family that is very important to the ministry in Latin America back on the road again! We have the pleasure of informing you that as of today, we have received \$9,751 toward the purchase of a car for Pastors John Jairo and Susana. That is 65%! It isn't too late to participate. These are very fruitful leaders and your contribution in their ministry will be a very worthy investment!

We believe that with your help, we can meet the goal of \$15,000 by Christmas Eve. Just use the link below to make this gift.

Stay tuned for our next report right after Christmas.
