

At the end of 2020 we are saying, "What a challenging year! We have lost loved ones, and we've cried a lot, but we have also reinvented ourselves and have overcome. With all our hearts we say, 'God has been faithful!'"

On December 9, FMC Portugal celebrated 20 years of ministry. Despite the restrictions, we celebrated with great joy. A few people were present, but hundreds were online as we remembered so many precious moments of God at work through us over the years.

Progress on building the school in Guinea Bissau, Africa, continues to advance. A second baptismal service took place in São Tomé and Príncipe, Africa. God's presence has been so evident both here at the mother church and in Africa with our daughter churches.

Yes, we've shed tears while sowing the seed, but we have also been harvesting with great joy. We sow in faith and are reaping fruit for the glory of God.
